Re: **Cancellation of all hockey activities until further notice**

The Timmins Minor Hockey, Porcupine Minor Hockey, Schumacher Minor Hockey and Timmins District Girls Hockey Association's Board of Directors are hereby cancelling all hockey activities including games, practices and off-ice activities effective Tuesday, December 22, 2020 until further notice.

As most are aware, the Province of Ontario issued a notice for a province wide "lock down" which will take effect on December 26 at 12:01 a.m. for 14 days (until January 9). The Associations will work towards a potential return to hockey the week of Jan 11th pending provincial government announcements, OHF/NOHA and City of Timmins direction.

We would like to also take this time to wish everyone a Merry Christmas, Happy Holidays and a Happy New Year to everyone. Please stay safe.

Best Regards,

Laurent Gilbert, Timmins Minor Hockey Association President
Jeff Parnell, Porcupine Minor Hockey Association President
Brian Getty , Schumacher Day Minor Hockey Association President
Julie Rivers, Timmins Girls Hockey Association President
